Discover LHC

Discover LHC is a class led by Pastor Rod that provides a clear picture of what our church believes in a setting where you may freely ask your questions. There is no pressure for you to join once you've completed the course. It's purely informational and should you feel led to join, you just need to let Pastor Rod know that you'd like to proceed. This class will take place for 4 weeks on Sunday mornings at 9AM, **beginning October 31**. Please let Pastor Rod know if anyone is interested in attending by placing your name on the sign-up sheet at the information desk in the narthex. (Note: Adult Sunday school will still take place during this time as well; we will meet in another room.)

CPR Training

Our Safety and Emergency Response Team (SERT) would like to hold a CPR course here at LHC. Please let one of the team members know if you'd be interested in learning this life-saving skill and they will try to coordinate a date that works for as many people as possible. The class typically takes about 2 hours to complete. You may indicate your interest via email at lhfl.sert@gmail.com.

Coffee Ministry Volunteers

We are seeking volunteers to serve coffee and cookies (church provides these items) after church service on December 26 and the months of January and February. Call/text Chris Scheuers at 920-296-4458 if you are willing to help.

Join the Tech Team

Our volunteer tech team is very short-handed. Please prayerfully consider using your time and talents on an occasional Sunday to help with sound and/or video for the service. Anyone can be trained to help. Please contact Jeff Hoogeveen at 517-662-9149 if you are willing to serve in this way.
