Dollars for Life – LAST CHANCE – FILL OUT AN ENVELOPE TODAY

Let's make a public stand against abortion.

January 22 is the 49th anniversary of the Supreme Court, Roe V. Wade decision which legalizes abortion. The Dodge Co. Chapter of Wisconsin Right to Life needs your support to help make a statement to the tri-county area, that we are opposed to the needless killing of unborn children that takes place in our country today. To do this we are asking you to place a dollar per family member in a provided envelope. An ad with all participating area churches will be printed in the Beaver Dam Daily Citizen on Saturday, January 22. The ad will list each church name in bold lettering with each participant's name listed below. This is a great opportunity to get our name out in the public's eye and let them know that we stand against abortion.

Background Checks

It is our policy that any volunteer having contact with children must have a clear background check. An authorization consent form has been placed in the church mailbox of those who need an updated or initial background check done. **If you volunteer with children at LHC, please check your mailbox for a consent form and return it by January 16 to the locked office mailbox located by your church mailboxes in the hall by the church office.**

Updated Church Contact List

An updated church contact list is available in your church mailbox. Extra copies are available on the table by the mailboxes. If you do not have a mailbox, but would like one, please let Chris know at info@livinghopefoxlake.com

A prayer request box has been placed in our narthex. If you would like prayer for something, please place your requests in that box.

Intentional Prayer

Pastor and the Elders will be available at the front of church immediately after worship if you would like them to pray with/for you. It is our intent to do this every Sunday.

Join the Tech Team

Our volunteer tech team is very short-handed. Please prayerfully consider using your time and talents on an occasional Sunday to help with sound and/or video for the service. Anyone can be trained to help. Please contact Jeff Hoogeveen at 517-662-9149 if you are willing to serve in this way.
