Thank You

We want to extend a huge thank you to the women who volunteered their time and talents to wash the upholstery of all our chairs. They even repaired many of them that had ripped seams. They look so much better. Thank you for many days of work, ladies!

We also want to thank the men who volunteered their time and talents to get getting our new speakers installed. We appreciate your time & talents!

Men's Breakfast

All men are invited to meet at a local restaurant for breakfast at 8AM on Saturday, April 29. The restaurant is yet to be determined, watch the bulletin for updates.

Speaker Replacement Fund

The new speakers arrived. The cost was \$8,414 for the speakers (depending on wiring could be a few thousand more). We ask that the Living Hope keep this in prayer for any physical, prayerful, and financial support needed and provided by the Lord our God so that we may worship Him with our best. The offering on March 20 will be for new speakers.

CWC Performance

One Stoplight Town is a story about people from a town so small that you might drive through without taking a second look. But if you stopped for just a moment, you might see a young boy and girl fall in love, a cantankerous grocery store owner coping with change, a son returning home while a daughter thinks about leaving, and a handyman taking it all in while he fixes what is broken. These stories and more are filled with fun characters, lots of humor, plenty of heart and the theme that change comes for us all, whether we are ready or not. Our 8th graders are working on a performance of "One Stop Light Town" by Tracy Wells. Please join us for this event on Thursday, March 24 at 6:30 PM.
