World Renew

Share the Gift of Christ's Hope with Vulnerable Families on May 8th - A child should look into their mother's eyes and see hope for the future. But too many children around the world see fear—the fear that comes with food insecurity. Next week, through your gift to World Renew's Free A Family® program, you can help provide women in vulnerable communities with training in income-generating activities, proper health and nutrition practices, and more, so they are equipped to become Moms of Hope. Please share Christ's hope. To learn more, go to: worldrenew.net/momsofhope
