ReFrame Ministries

The Tongue is Like a Spark - Check out the kids' devotion at www.kidscorner.net. When James says, "The tongue is like a spark," he's comparing our words to fire. Just like how a tiny spark can start a cozy campfire or a devastating forest fire, your words can help or hurt those around you. Listen now at kidscorner.net and check out all the new content.

Groundwork: Jesus Teaches about Money, Worry, and Judging People - Jesus continues to teach us what it means to live as his redeemed followers. Join Groundwork as we study Matthew 6:19-7:5 to learn what it means to have a kingdom perspective on our money and how this kingdom perspective influences how we think about our security and about other people. Listen now at GroundworkOnline.com and subscribe to Groundwork's weekly emails for future episodes.

Faith Formation

At-home Faith Formation Tip - At-home Faith Formation Tip: In the book *Liturgy of the Ordinary* (IVP 2016), Tish Warren writes, "We learn the craft of holiness day by day in the living of a particular life . . . we are part of God's big vision and mission—the redemption of all things—through the earthy craft of living out our vocation, hour by hour, task by task. I want to do the big work of the kingdom, but I have to learn to live it out in the small tasks before me." How might this insight change your perspective on the small tasks of your daily life? RCS Apple Pie Fund Raiser

Randolph Christian School is getting ready to make their delicious Apple Pies. This is one of their major fundraisers of the year and helps tremendously in supporting Randolph Christian's purpose of offering Christian Education. Part of what makes this such a great fundraiser is that much of the cost is offset by sponsor donations, whether of food product or funds. If you appreciate what's happening at RCS and would like to help offset the cost of making the Apple Pies, you can either contact Paula Van Buren at 920-210-4853 or the school office at 920-326-3320. Thank you!
