Faith Formation

At-home Faith Formation Tip - At-home Faith Formation Tip: What faith practices shape your life and the lives of the people who share your home? "It's easy for us to think that we create our habits, but our habits also create us. The faith-forming things that we do together deeply affect the way we think and act. Because of this, consistently committing to your faith practices as a family has a significant impact." —from *Dear Parent: A Guide for Family Faith Formation*, by Laura Keeley and Robert J. Keeley, available at FaithAliveResources.org. (Tip from CRCNA Faith Formation; crnca.org/FaithFormation)

Learn to Build Faith At Your Church Through Storytelling - In the Bible, God often uses stories to tell us who God is. We are part of his story and it's important for us to see our story in his story. Help your church build relationships between generations, see how God is working in the faith of God's people, and more. Join us for the Sharing Stories to Build Faith cohort this fall.

RCS Apple Pie Fund Raiser

Randolph Christian School is getting ready to make their delicious Apple Pies. This is one of their major fundraisers of the year and helps tremendously in supporting Randolph Christian's purpose of offering Christian Education. Part of what makes this such a great fundraiser is that much of the cost is offset by sponsor donations, whether of food product or funds. If you appreciate what's happening at RCS and would like to help offset the cost of making the Apple Pies, you can either contact Paula Van Buren at 920-210-4853 or the school office at 920-326-3320. Thank you!
