Faith Formation

[At-home Faith Formation Tip](#) - "Regardless of what a family looks like, its adult members can have a big impact on the development of children's faith. And they do that primarily by modeling faith in everyday moments. What do those moments look like? They are amazingly ordinary. Holding hands, praying at the table, going to bed . . . talking about a bad day at school—those moments all have the potential to form faith"—from *Dear Parent: A Guide for Family Faith Formation*, by Laura Keeley and Robert J. Keeley, available at FaithAliveResources.org. (Tip from Faith Formation; bit.ly/CRCFaithFormation)
