Volunteering at LHC

Thank you to all of our members who volunteer their time and talents in one way or another at LHC. As January approaches we usually have team captains who submit volunteer schedules for greeting, nursery, coffee ministry etc. Our database now has the capability of allowing you to sign up for dates that work for you

rather than a team captain having to call each of you to schedule you. We have been using this function with the coffee ministry volunteers for the last several months and it is working beautifully, saving everyone time and hassle of finding replacements when the date doesn't work for someone.

Since you must have a background check to volunteer in the nursery, a schedule will only be sent to those currently serving. If you'd like to serve in the nursery but haven't been, please contact Rachel Horetzki [\(920\) 344-6925](tel:9203446925) or Chris Edwards (920) 928-6610 and we can get the background checks rolling.

Everyone will be sent the link to the greeting calendar. If you'd like to serve as a greeter, please click on the link and select the dates you'd like to serve. We will send calendar links for a 3-month period so you have a better idea of your availability rather than for the whole year.

For those of you who aren't comfortable with this tech savvy way of signing up for things, please indicated on the form at the information desk, where you are willing to serve and we will be sure to schedule you in on some dates.

Blood Drive

Thank you to those who came to donate blood for the American Red Cross Blood Drive held on Monday. The Red Cross reported collecting 51 units! Also, thank you to the volunteers who helped set up for the drive and those who volunteered on Monday.

Helping Others

The events ministry team (EMT) has created an email address for church body needs. Please use this email to request any needs, wants, offers, etc. This is not for prayer requests but more for physical items or practical assistance. Email this address LHCNeedsWants@gmail.com if you would like to be included in communications via email. This can be both for offers of assistance or items for sale or free as well as those seeking something. For example, you may have a car you want to sell and want to see if anyone at church is in need of one before you post it to the general public. This email will be monitored by a volunteer who will forward requests to those who have asked to be included. If requesting something, please include your name and contact information.

Youth Group

Seeking volunteers who love the Lord and are willing to share with youth how to have a meaningful relationship with Christ. Please contact Dan Cupery if you'd be willing to help with Jr. and/or Sr. youth group on Wednesday nights. Dan can be reached at 920-296-4111.
