Volunteering at LHC

Thank you to all of our members who volunteer their time and talents in one way or another at LHC. As January approaches we usually have team captains who submit volunteer schedules for greeting, nursery, coffee ministry etc. Our database now has the capability of allowing you to sign up for dates that work for you rather than a team captain having to call each of you to schedule you. We have been using this function with the coffee ministry volunteers for the last several months and it is working beautifully, saving everyone time and hassle of finding replacements when the date doesn't work for someone.

Since you must have a background check to volunteer in the nursery, a schedule will only be sent to those currently serving. If you'd like to serve in the nursery but haven't been, please contact Rachel Horetzki ([920\) 344-6925](tel:9203446925) or Chris Edwards (920) 928-6610 and we can get the background checks rolling.

Everyone will be sent the link to the greeting calendar. If you'd like to serve as a greeter, please click on the link and select the dates you'd like to serve. We will send calendar links for a 3-month period so you have a better idea of your availability rather than for the whole year.

For those of you who aren't comfortable with this tech savvy way of signing up for things, please indicated on the form at the information desk, where you are willing to serve and we will be sure to schedule you in on some dates.

Living Hope Food Pantry is seeking a Program Coordinator

The Living Hope Food Pantry of Fox Lake, WI is seeking a part-time volunteer Program Coordinator. This individual would coordinate daily operations, supervise, and delegate tasks as needed to the wonderful volunteers we already have on board, maintain effective communications, act as primary representative of the Food Pantry and provide periodic reporting of operations. This position would be a rewarding opportunity for a couple to share.

If you are interested in joining our team and serving our community in this exciting and dynamic role, please email masonzantow@gmail.com in order to request and complete an application for this position. Thank you!

Helping Others

The events ministry team (EMT) has created an email address for church body needs. Please use this email to request any needs, wants, offers, etc. This is not for prayer requests but more for physical items or practical assistance. Email this address LHCNeedsWants@gmail.com if you would like to be included in communications via email. This can be both for offers of assistance or items for sale or free as well as those seeking something. For example, you may have a car you want to sell and want to see if anyone at church is in need of one before you post it to the general public. This email will be monitored by a volunteer who will forward requests to those who have asked to be included. If requesting something, please include your name and contact information.
