## **CWC 2023-2024 Preschool Registration - Deadline January 31**

This year we are revising the registration process. With the high level of interest and demand, we hope that this provides a more equitable method for families to register for the sections of their choice. There is a student cap on the size of our sections, so we encourage you to sign up soon. The process will be as follows:

Complete our preK Registration Information form linked here. Deadline for early registration is January 31st. Parents are asked to record your preferred section placement.

On February 1st a random draw will be conducted in our office. Following that draw, parents will be notified of session placement or wait pool status via email by the Advancement Office.
